President's Report By Tammy Davis #21

Hello GA members,

The summer months provide an opportunity to complete on-going maintenance and upkeep with the common assets in our park and there are several projects we are addressing this season. We are replacing two sections of fencing due to tree roots damaging the existing fence, A-court walkway has been closed off, the front office side entrance to the bank has been extended to accommodate golf carts, the cement pad at the workshop was replaced, the streets have been milled and paved, sidewalk repairs have been identified and repaired. Our replacement street lighting project has been paused until the board members return in the fall.

As a reminder to members that rent their units, repeat renters must complete the paperwork each time they visit and be approved prior to their return.

As of this writing, we have 3 units for sale.

Have a great month! Tammy Davis

Not much to report for the June printed copy. I am including pictures and articles that were received past the printed deadline. Hope all is well and our full timers were not too inconvenienced by all of the park road reconstruction in May.

Rec Committee Report May 2026

Gina Douthit Unit 55 and Debbie Douthit Unit 60 form the

Summer Rec Committee again this summer. We know throughout the summer many "year rounders" travel to visit family. The luncheons and craft events were enjoyed by those who were still in the park. Sometimes the luncheons were well attended and sometimes only just a couple of us. Regardless, it was good to get together. We welcome any ideas you may have and look forward to serving again this summer. Please share your email and phone number with the Summer Rec Ladies to ensure you don't miss out on summer Golden Acres Summer Events.

CanAm

By Nancy Baker

Originally, the CanAm celebration was begun by Canadians to thank Americans for their hospitality. At the beginning, all the skits were created by Canadians but the American residents, seeing how much fun we were having, asked to join in.

Unfortunately, CanAm was begun so long ago that the founders are now gone and present residents are unaware of their identity.

While Randy and I were in the park, we saw many changes in the ceremony. Bob Mickle (#29) did the photography-even DVDs as a record of events - and a calendar of the Golden Girls which we still keep.

Mary Ellen Hearn (#18) did everybody's make-up so it looked more professional. For a while, a dance instructor, Lynn Perron, planned and choreographed all the acts.

All in all, the Irvings, Marlene Scott, and I agree it was great fun and a real time commitment but, everyone loved it. We had great fun and it brings back wonderful memories on snowy nights now that we are unable to come south to the sunshine. Thanks for the memories!!
